

The Star of the universe is the LORD Yeshua.

That is the statement we begin this short study with.

When we look up into the Heavens we see a glimpse of HIS glory. The sun by day...and the stars by night.

And the message that is inscribed there, in the Shamayim, the Heavens, is HIS story.

The vastness of the universe is truly awesome in fact mind boggling.

In 1977 we launched these two spacecraft: Voyager 1 and 2

they are departing our Solar System in different directions at a speed of about 39,000 miles per hour. As I say this these are about 16 billion miles from earth. Eventually, they will probably crash into something, somewhere.

So we open with that as a way of trying to grasp the vastness of the universe. And all of that came about with this command from the Eternal GOD, the

GOD Who was, is and will forever be, no beginning, no end.

Elohim      created      The Beginning      In  
את      אלהים      ברא      בראשית  
(untranslated particle)  
the earth      and      the heavens  
השמים      ואת      הארץ  
(untranslated particle)

In the beginning GOD created the heavens and the earth.

Time, Space and Matter were created by GOD for us to be able to somewhat grasp our awesome GOD.

All of that was done, created out of nothing, all of that cost GOD nothing. HE didn't get tired, nothing, HE said it, and it happened. But look how much HE GOD loves us, loves you:

**/JOH 3:16, “For GOD so loved the world, that HE gave HIS only begotten Son, that whoever believes in HIM shall not perish, but have eternal life.**

That should put into perspective a little more of the LOVE that GOD has for man. Yes, even that man. If you know what I mean.

**/2PET 3:9, The Lord is not slow about His promise, as some count slowness, but is patient toward you, not wishing for any to perish but for all to come to repentance.**

**ECC 3:11 GOD has planted the longing for eternity [the story of salvation] in man.**

Blaise Pascal read that verse and he put it like this:

*/"There is a GOD-shaped vacuum, a void in the heart of each man which cannot be satisfied by any created thing but only by GOD the Creator, made known through Yeshua."*

That's why Satan has so many things to offer to man to fill that void, to keep man busy at trying to fill it, but only the

truth of Yeshua will truly fill it completely fill it.

Satan has done his best to corrupt that story in fact it has been hidden from us because he is the villain in the story who hates us and wants to destroy us.

**/PSA 19, The heavens are telling of the glory of GOD; And their expanse is declaring The work of HIS hands. Day to day they pour forth speech, And night to night it reveals knowledge. There is no speech, nor are there words; Their voice is not heard.**

The Heavens, the constellations spell out the message of Yeshua. And that is what David is referring to in this Psalm.

12 constellations, 36 decans (3 smaller constellations that tell the story of the major constellations). All tell the story of the Gospel.

The number 12 represents GOD's perfect and ultimate authority.

It is the most important story ever told. And it is told by the stars written in the Heavens in plain sight and nothing man nor even Satan can do will ever take it away.

Man became involved in a conflict that we call the AC. When it started and how is not the issue here, but the conflict is ongoing, and will continue until the end of the Church-age.

/When man fell, in the Garden, GOD promised a Savior to redeem fallen mankind to pay for the sins of the world.

So, it should come as no surprise that Satan, from earliest times, has set out to obscure and deny that Gospel (good news) message.

GOD manifested and manifests HIMself in many ways

throughout HIS relationship with man.

We have seen many of those manifestations, but the subject here is that Gospel message is clearly shown to the world in the stars, in the Heavens.

Shown to the world night after night.

Satan knew that man would see the stars, man cannot hide them. I do believe the plan is to obscure the sky, chemtrails, weather manipulation.

**/PSA 147:4, He counts the number of the stars; He gives names to all of them.**

Trillions of them it seems...

**PSA 8:3, When I consider  
Your heavens, the work of  
Your fingers, The moon and  
the stars, which You have  
koon = made, fixed,  
established.**

These memory aids, easily  
observed from everywhere...  
were and are intended for  
memory aides.

/Satan knew he had to offer an  
alternate story...a counterfeit of  
the true heavenly message.  
Which of course is all he, Satan

can do. Which must be very frustrating right?

So, Satan offered astrology to replace the true meaning of the stars which is the salvation message astronomy.

And by this seemingly harmless little distraction, he has led many away from the truth throughout the ages. It is shocking that many people don't make a move unless the astrology charts line up.

Also, it is equally shocking that many believers in Yeshua view astrology as some sort of harmless entertainment. Many

allow it in their households, in various forms.

**DEU 4:14-19, “The LORD commanded me at that time to teach you statutes and judgments...watch yourselves carefully...16 so that you do not act corruptly and make a graven image for yourselves in the form of any figure, the likeness of male or female,**

**17 the likeness of any animal that is on the earth, the likeness of any winged bird that flies in the sky, anything that creeps on the ground...**

**/19 “And beware not to lift up your eyes to heaven and see**

**the sun and the moon and the stars, all the host of heaven, and be drawn away and worship them and serve them, those which the LORD your GOD has allotted (kah lach = divided, distributed, put in place) to all the peoples under the whole heaven.**

So, we are not to worship the stars, but we worship the One Who created the stars...angels...

With the fall of man there was now certainly a need for man's redemption. Yeshua has a covenant, a connection with man from the very beginning, HE is the creator.

**GEN 3:8, They heard the sound (voice) of the LORD GOD (YHVH = Yeshua) walking in the garden in the cool of the day... רוּחַ rûah̄ the ruach = spirit, breath of the yom day. The same word in GEN 1..., the Spirit of GOD moved upon the face of the waters.**

In the phrase the LORD GOD the word LORD is Yehovah.

That name in the Hebrew for LORD looks like this:

יהוה So the Lord in the phrase LORD GOD is referred to as

יהוה from R to L In the English it would be YHWH: This is

where we get *YaHWeH* this form of HIS name is the most frequently used in the OT (about 6,800 times). And looks like that in the Hebrew text.

/These four Hebrew characters, YHWH = *yod, hay, vav* and *hay* are called the Sacred Tetragrammaton.

YHWH is translated as LORD in all of the Bible translations.

So what does the Sacred  
Tetragrammaton YHWH  
mean?

Yod = Hand

Hey = behold or reveal

Vav = nail, nailed or bound to  
something.

Hey = behold or reveal

**BEHOLD THE NAIL,**

**BEHOLD THE HAND!**

Let' jump to GEN 3:6, **the  
woman took from the tree of  
knowledge of good and evil its  
fruit and ate; and she gave  
also to her husband with her,  
and he ate.**

**3:7 Their eyes were opened,  
and they knew that they were**

**naked; and they sewed fig leaves together.**

**9 The LORD GOD called to the man, and said to him, "why are you where you are.**

**And Adam said, "I heard the sound of You in the garden, and I was afraid because I was naked; so I hid myself.**

Adam, why are you where you are?

The LORD went looking for the man, just as it has been ever since, the LORD is still calling out to those who are hiding from HIM.

/Of course, HE knows where you are, HE knew where Adam and the woman were, HE calls because man needs to respond to the gift of Salvation.

GOD has done all HE can do, for HIS JUSTICE to be satisfied, man must respond.

**ISA 5:4 What more could I have done for My vineyard than I already did for it?**

Whether unbelievers who have yet to believe or unbelievers who have gone astray the question is the same.

**WHY ARE U WHERE U ARE,**

**Why you** have let the same villain deceive you. The unbeliever must believe and except and the believer must stay in fellowship.

**In GEN 3:10 the blame game begins.**

**The man said, "The woman whom You gave to be with me, well....she gave me from the tree, and I ate."**

blame game begins and this is something man would master for sure, and some get quite good at this.

**And the woman said, "The serpent deceived me, and I ate."**

Interesting that now she knew deception was involved.

Nawshaw = deceived.

**GEN 3:15 I will put enmity  
Between you and the woman,  
And between your seed and  
her seed;**

**He shall bruise you on the  
head, And you shall bruise  
him on the heel.**

Here is the first mentioned principle of the Gospel, the good news of the offer of Salvation. The man and the woman, they recognise that they were involved with evil.

They realize they were naked, and as far as they could tell this

was no longer good, because **they** immediately tried to do something about it.

Every day Yeshua came in the garden and they had conversation with HIM. I believe they were taught daily from their creator. How long it went on, we don't know.

/So, every day they learned from their Creator. Now they are spiritually dead and they can't even bear to hear HIS voice. That is the reaction to many believers who sin, we all do, but many run from Yeshua instead of running to Yeshua.

/This is the same as those today who propose the same.

Thinking man can solve man's problems without GOD...when man's problem is being without GOD.

The man and woman in the Garden believe now that they must solve their own problems.

Here is an attempt to solve a problem by something man could do [legalism] rather than by something that GOD does [grace]. Grace and legalism are always antithetical they are always opposite in nature.

/It's also interesting that Adam did not know fear of any

kind...until he sinned. There is a very definite correlation between sin and the resulting fear. Fear will always exist in the human race until one is properly re-related or reconciled to GOD through regeneration.

Satan was smart, he was already thinking about his next move. Little did he realize that the very plan for redemption of man was written in the stars from the beginning.

**“I will put enmity (the state of being an enemy) between you [Satan] and the woman.”**

**“and between your seed and her seed”** – *your seed* refers to every person coming into the human race and the old sin nature; *her seed* refers of course to Yeshua in HIS Hypostatic-union.

/All members of the human race, because of Adam’s sin are born with a fallen sin nature. The fact that we sin after that does not worsen our condition as far as the relationship with GOD and the OSN is concerned.

When we believe in Yeshua as our Savior, we now have a new nature, the OSN is still

there...thus a new internal battle now takes place until the day we die and go home to be with HIM minus the OSN.

So, the solution to the problem is to have a new nature that will compete with the OSN. And that happens through regeneration, by believing, by accepting, by repenting in the LORD GOD, the Messiah, Yeshua.

The old sin nature is passed down through the male. So the solution is that a virgin would bring in the humanity of the redeemer. So Adam brought the entire human race into sin—

**/ROM 5:12, Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned.**

**15 But the gift is not like the trespass. For if the many died by the trespass of the one man, how much more did GOD's grace and the gift that came by the grace of the One man, Jesus Christ, abound to the many!...**

**GEN 3:15 He [the Lord Jesus Christ] shall bruise your head – the word *bruise* is the Hebrew word which means to crush. Yeshua would crush the head of Satan when Satan is**

imprisoned for 1000 years.  
Ultimately in REV 20:10 he is  
thrown into the lake of fire.

**“and you [Satan] shall bruise  
[crush] His heel”** This is the  
Cross.

So GOD, the LORD Yeshua  
must become a member of the  
human race. Adam called his  
wife Eve, which means giver of  
life.

Because Adam had believed  
upon the seed of the woman as  
his Savior. Adam didn't know  
how long it would take but he  
believed it would happen. No  
doubt Yeshua taught the couple  
with the star gospel.

So, Man and woman were kicked out of the Garden. After they had sinned, they could no longer go to the tree of life.

If man had eaten of the tree of life in his sinful state he would have been perpetuated forever in a sinful state and could not have been saved.

/So the tree of life became a tree of death (eternal life without GOD) and man would now believe upon a yet to come tree of death (the Cross) to give them eternal life.

So the tree of life had to be put **out of** man's reach... and the tree of death had to be brought

**into** man's reach so that man could, through his free will volition, believe on work that would be done on the Cross for eternal life.

Adam had already made his choice but his children and theirs and so on would have to make their own choice as well.

GOD's grace that took Man out of the garden. I think we can all note times in our life when GOD took us out of a place or a situation or a relationship, and in the long run we see it was for our own good through His grace.

After the fall, the star Gospel is how GOD would continuously call out to mankind as a sign, a path to follow that would reconcile them to their creator.

Yes, HE would provide Prophets and teachers but did you know Abram was a great astrologer?

When GOD called Abram he was an astrologer. GOD showed him the Gospel message in the stars, and he became a follower, an astronomer teaching the message GOD revealed to him.

Trinkets....

To attack that message, Satan invented Astrology, and it is Satan's counterfeit for life guidance. Satan's counterfeits are always *self*-oriented.

Satan says that if you apply this astrological information properly, you can do life on your own, you don't need GOD. That's been Satan's tactic since Eden.

Let's get to it.

So, the 12 main chapters of the Star Gospel are told by these constellations or groups of stars: Here's a quick look: If this interests you, there are

many teachings on it. Bullinger has a book, I have it I have read it...Joe Amaral does a great job. There are so many, just for this subject. So there are 12 main, 36 deacon and that is a total of 48. And that is present in the zodiacs (corrupted) from around the world.

## **1. The Virgin Maiden (Virgo).**

The constellation, Virgo, was given to represent GOD's promise in GEN 3:15. It was in

Eden that GOD spoke to Satan:  
*“And I will put enmity between  
you and the woman, and  
between your seed and her  
seed.*

**ISA 7:14: “Behold a virgin  
shall conceive and bear a son,  
and shall call his name,  
Immanuel.”**

The picture of Virgo is that of a woman with a shock of wheat in her left hand and a branch in her right hand.

The brightest star in the constellation is called *Spica*, a Latin word meaning “the branch.” There are three smaller constellations or decans

to each major constellation, The three (divinity) for Virgo are:

## **Coma**

The word Coma means “the desired,” and represents the desired one, the desire of all nations the Messiah.

## **Boötes**

Boötes means, “the Coming One or herdsman a shepherd.” A star in the left knee of the Shepherd. It was called Arcturus, which also means, He that will come.

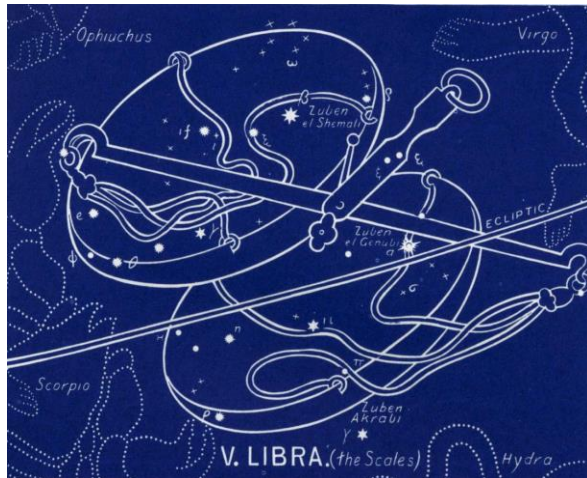

## **Centaurus**

The name Centaurus means two natures. The Seed of the

woman was “virgin born,” he was not of the seed of man.

/HIS two natures, pure humanity and pure deity. 100% man 100% deity, HE is GOD in human flesh and, therefore, can rightly be called Immanuel, which means GOD with us. Virgo and her attending constellations represent the beginning of an epic story to rescue the human race.

BTW the start and finish is actually foretold in the Sphinx, face towards Virgo and tail to Leo. WHERE TO START...some try to start at other points...

## 2. The Scales (Libra).

The next constellation in the story

is Libra. Libra is depicted as a set of scales. Libra represented the condition of the human race after the fall of Adam.

Libra has been associated with justice and order throughout the centuries. The Balance or Scales represents the price owed for sin and the price being paid by the suffering of

Jesus Christ in his role as Redeemer (Isa. 41:14, 48:17).

In DAN 5:27, Belshazzar failed to satisfy the righteous demands of GOD: **“Thou art weighed in the balances and art found wanting.”**

We are all guilty before the LORD, and not one of us can pay the price. But HE the Messiah is worthy, willing and able to just that.

There are two main stars in the sign of Libra, which tell the story of the prophecy. In one side of the scales, there is a star called *Zuben Al Genubi*.

/It's a mixture of ancient Hebrew and Aramaic. This name means the "the price which is deficient." it points to the price which man attempts to pay for redemption with works its always lacking. the price is deficient.

On the other side of the scales, however, there is a star called *Zuben Al Chemali*, meaning "the price which covers."

It is a picture of the price paid by Christ for the redemption of the sinner.

The constellation, Libra, is attended by three smaller

constellations. One of them is named the **Cru**x –

## **The Southern Cross.**

The stars Acrux and Gucrux. A group of stars in the form of the Southern Cross. This constellation represents the role of Christ as the Redeemer, who paid for our sins with his suffering, and Who literally bought us with His blood. BY the way Libra surrounds the southern Cross on three of it's sides (the # of divinity).

### **3. The Scorpion (Scorpius).**

This killer is shown stinging the heel of the One who is in turn is crushing the scorpion's head.

This is the great promise given to Eve that her seed would crush the serpent's head, even though it would bruise his heel (Gen. 3:15).

Yeshua would overcome death, hell and Satan, even though he would be crucified by the forces of evil.

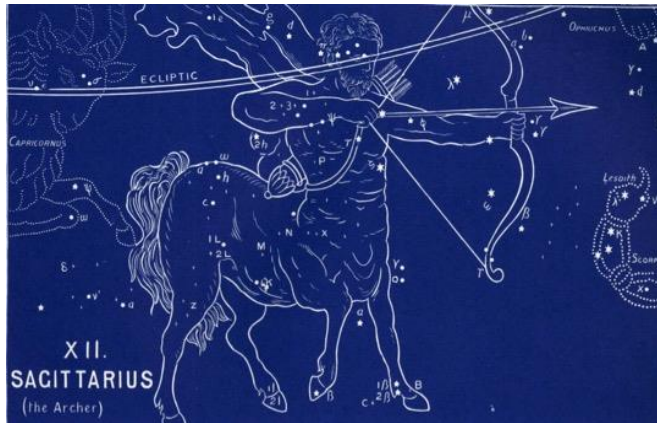

The Scorpion is the symbol of the evil which attacks the people of GOD.

One of the decans of the Scorpion is the Serpent, which clearly represents the same concept.

Antares is the brightest star in the constellation and means “the one who is Against the Lamb”. In Arabic it means the wounding of one.

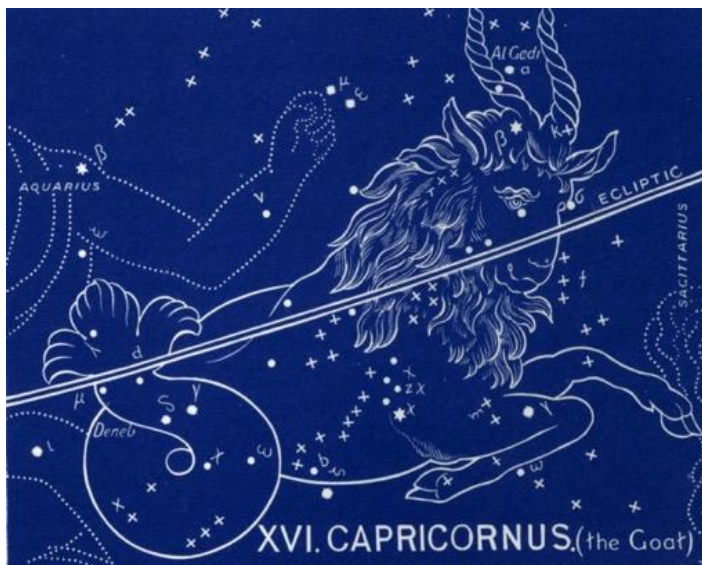

One the deacons (smaller constellation) is Serpens the Serpent = the accursed.

#### **4. The Archer (Sagittarius).**

The archer is a centaur which represents the dual nature of Christ, being GOD and man.

It is shown shooting the scorpion, overcoming the adversary.

**5. Capricornus.** Is a goat with the tail of a fish. This strange picture presents a magnificent message when we understand that

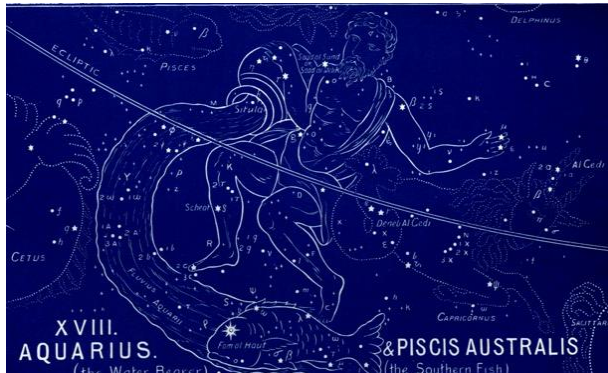

/The goat represents the sacrificial animal used on the Day of Atonement and the fish represents that body of believers who have received life out of the death of the great sacrifice. It represents the Sins of man, the lawlessness of the antichrist.

There are two stars in the head of the goat that tell the story. *Daneb Algedi*, which means “the sacrifice comes,” or the coming sacrifice and *Dabih*,

daybee which means “the sacrifice is slain.” A few of the stars in this constellation:

Dalaph = pouring out water

Dalaph = (Arabic) coming quickly

6. Next is Aquarius The Water Bearer (Aquarius).

Here is a man pouring out an entire stream of water from a small jar onto the head of the Southern Fish. This represents Christ pouring out blessings

and revelations onto his Church.

**/ISA 44:3, The Lord spoke through Isaiah “I will pour water upon him that is thirsty, and floods upon the dry ground; and I will pour my Spirit upon your seed and my blessing on your offspring...”**

/Here the star Gospel is depicting the GOD-Man, Yeshua, pouring out HIS Spirit in the form of blessings and the Word so that those who believe on HIM (represented by the Fish) might live in the spiritual sense.

/Remember the Samaritan woman?

Yeshua said to her, “Everyone who drinks this water (regular water H<sub>2</sub>O) will be thirsty again. But whoever drinks the water I give him will never thirst. Indeed, the water I give him will become in him a fount of water springing up to eternal life.”

The small constellation that is the fish is dominated by the star Fomalhaut which is Arabic for the “Mouth of the Fish”.

**7. Pisces.** There are two fish tied by their tails. The fish represents Christians, being in bondage to death and hell. Yet their free will, will decide their ultimate fate.

This is a representation of our High Priest Yeshua interceding on our behalf, and yet we must make the choice through own free will. “the mouth of the fish”

Okda (Hebrew) – “the united”

This sign is depicted as two large fish, one fish is heaven bound toward the North Star, Those who belong to the Lamb. The other is earth bound.

## **8. The Ram (Aries).**

Represents the sacrifice. The seed of the woman, the son of Man is the Lamb, slain from the foundation of the world, who takes away the sin of the world.

Aries (the Ram) is the one who holds the bands fastened to the two fish in Piceis.

### The Decans of Aries

First Decan – Cassiopeia – the woman engaged, the bride to be. A star within it means the beautiful, another = the freed.

Delivered from evil.

**9. The Bull (Taurus).** The Bull is a mighty animal, a white bull is used in the book of Enoch to symbolize the Kingdom of GOD in the Millennial reign.

The Hebrew word for bull or ox is “*shur*” which also means “to return” or “to come back”.

The brightest star is *Aldebaran* which means “the one who follows”.

One distinct star group in Taurus is the **Pleiades**.

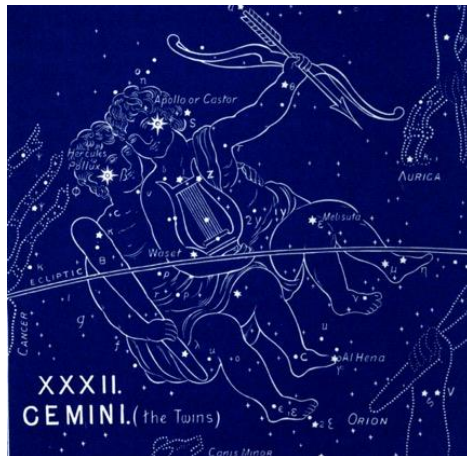

*Pleiades* comes from the Hebrew for “gathering the great”.

Some very bright stars are in this constellation:  
the mighty one, the prince, the ruler, the wounded

Betelguese – the coming of the Branch

Rigol royal– the foot of the one treading.

This constellation reminds of the coming judgement. The bull, the one who delivers

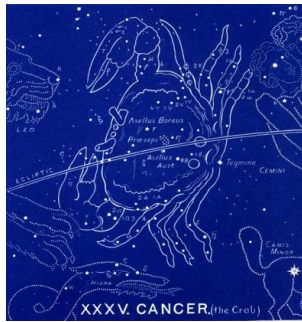

## 10. The Twins (Gemini).

/The Hebrew name for this constellation means “Joined Together”. The two brightest stars are the twins Castor and Pollux.

The star in the left foot of one figure bears the name “*Al Henah*” which means “wounded” or “bruised.” The

star in the right knee of the other figure and bears the name *Mebсутa*” which means “ to trample underfoot.

The twins show the human and divine nature of Yeshua. They also tell the story of the hero of the First Coming and the Second Coming are the same person.

**11. The Crab.** The crab represents the Savior strongly grasping hold of HIS flock after having purchased them. No one can pluck them from his hand.

**...27My sheep listen to My voice; I know them, and they follow Me. 28I give them eternal life, and they will never perish. No one can snatch them out of My hand. 29My Father who has given them to Me is greater than all. No one can snatch them out of My Father's hand.**

/The Lion (Leo). The king of beasts is chasing its prey of the Fleeing Serpent (Hydra), representing the final and the ultimate victory of good over

evil at the end of the Millennium. Of course, Yeshua comes from the tribe of Judah,

**/PSA 147:4, He counts the number of the stars; He gives names to all of them.**

God revealed the stars and their message to man from the beginning.

**GEN 1:14, “And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years”.**

Sign, seasons, days and years...

When you think about it is any wonder that GOD would send a message like this.

Why wouldn't God write the story of redemption the theme of the entire universe in a place the whole world could see?

A place where everyone could believe or doubt, free will...

Wouldn't He put that story everywhere in our lives?

The Bible is a message system: It's not simply 66 random books penned by 40 random authors over thousands of random years. There is in the

OT in particular messages  
within the messages, the letters  
the numbers. The stars  
contained the story, the names  
contained the story.
